Tocky,

Thanks for the call tonight. Please let me know if you have any further questions or need any information from me. In the interim, I'll start looking for some monuments and talk to my "good" neighbors about what they know.

Best,
Harper

The aerial in this is from 2010. Do not draw ANY conclusions from this without talking to me, but I thought it might help you.

Thanks Tocky. I did see the rock wall that continues in front of Josh's property and the large white oak. I'm going to look for some monuments this weekend and I'll let you know.
